

Lone Ranger T Chart

Name _____

In “The Lone Ranger”, a TV show in the late 40s and early 50s, the role of the Lone Ranger as the hero and Tonto as the sidekick are quickly established. While you watch this episode, take notes as to how they establish the Lone Ranger as the hero and Tonto as the sidekick. Write specific examples from the show. I can include what the characters say and do and what others say about them.
